Vote
Kentucky!

Kentucky should continue its participation in the national Common Core State Standards Initiative.

Kentucky leaders have neglected to reform the state's antiquated tax system. This should be a top priority.

Kentucky should continue to allow Instant Racing slot machines to operate even though their legality is still in question in the courts.

Kentucky should pass legislation raising the minimum wage.

The General Assembly should acknowledge global warming and work to limit Kentucky's contribution to it.

With one exception in the last 10 years, House Leadership has barred debate on pro-life bills on the House Floor. It should reverse this practice.

Public schools should allow students to use bathrooms and locker rooms in accordance with their "gender identity."

Charter schools should be allowed throughout Kentucky.

The best way to deal with the state's budget limitations is to cut spending, not raise taxes.

The General Assembly should vote to legalize marijuana.

The practice of mountaintop removal should be prohibited in Kentucky.

Students should be allowed to voluntarily express religious and political opinions and have equal access to public forums in public schools.

**About the Kentucky
Candidate Information
Survey (KCIS) . . .**

• The purpose of the **KCIS** is to reliably report candidates' views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates' views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300; or for more information on the candidates, visit:
