<p><i>Kentucky should continue its participation in the national Common Core State Standards Initiative.</i></p>	<p style="text-align: center;">Candidate chose not to participate.</p>	<p>“STRONGLY DISAGREE. We must get the federal government out of our local schools and return power to parents and teachers.”</p>
<p><i>Kentucky leaders have neglected to reform the state’s antiquated tax system. This should be a top priority.</i></p>		<p>“STRONGLY AGREE. I support comprehensive tax reform that lowers the tax burden on families and encourages business investment and job creation.”</p>
<p><i>Kentucky should continue to allow Instant Racing slot machines to operate even though their legality is still in question in the courts.</i></p>		<p>“UNDECIDED. I would like to see the state Supreme Court’s ruling before deciding.”</p>
<p><i>Kentucky should pass legislation raising the minimum wage.</i></p>		<p>“DISAGREE. Minimum wage increase may help some families but would eliminate jobs and discourage business expansions.”</p>
<p><i>The General Assembly should acknowledge global warming and work to limit Kentucky’s contribution to it.</i></p>		<p>“DISAGREE. Kentucky’s coal mining industry provides jobs and cheap, efficient energy to Kentucky’s families.”</p>
<p><i>With one exception in the last 10 years, House Leadership has barred debate on pro-life bills on the House Floor. It should reverse this practice.</i></p>		<p>“STRONGLY AGREE. In order to advance the rights of unborn children, changes in leadership of the Kentucky State House is a must.”</p>
<p><i>Public schools should allow students to use bathrooms and locker rooms in accordance with their “gender identity.”</i></p>		<p>“STRONGLY DISAGREE. Obama’s transgender bathroom is an example of the sort of unconstitutional federal overreach that I am against.”</p>
<p><i>Charter schools should be allowed throughout Kentucky.</i></p>		<p>“AGREE.”</p>
<p><i>The best way to deal with the state’s budget limitations is to cut spending, not raise taxes.</i></p>		<p>“AGREE. We cannot continue to force our debts on our future generations.”</p>
<p><i>The General Assembly should vote to legalize marijuana.</i></p>		<p>“STRONGLY DISAGREE.”</p>
<p><i>The practice of mountaintop removal should be prohibited in Kentucky.</i></p>		<p>“STRONGLY DISAGREE. As long as land is reclaimed and responsibly refurbished with forests for future generation use.”</p>
<p><i>Students should be allowed to voluntarily express religious and political opinions and have equal access to public forums in public schools.</i></p>		<p>“STRONGLY AGREE. Our 1st Amendment guarantees students the freedom to express religious and political beliefs and shouldn’t be infringed upon.”</p>

About the Kentucky Candidate Information Survey (KCIS) . . .

- The purpose of the **KCIS** is to reliably report candidates’ views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

- The **KCIS** is designed to neutrally, yet concisely, report the candidates’ views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

- The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

- For more information on the **KCIS**, call (859) 255-5300; or for more information on the candidates, visit:
