About the Kentucky Candidate Information Survey (KCIS) . . .

• The purpose of the **KCIS** is to reliably report candidates' views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates' views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300 or for more information on the candidates, visit:
