SECTION 2	RESPONSES	
After four years, what will your office have accomplished to improve life in Kentucky?	“Refer to www.mattbevin.com for a comprehensive list of accomplishments. In short, our record-breaking economic development and job creation results speak for themselves. Our commitment to life and to foster children is unprecedented. Voters can expect this plus more going forward.”	“As my grandparents’ generation would have said, ‘We will leave the woodpile higher than we found it.’ We will have created new jobs, increased wages, improved infrastructure, and added educational opportunities. We will have made Kentucky better.”
What strengths does your running mate possess that make him the best choice for Governor?	“Christian and family values he demonstrates in living his faith while raising nine children. The heart he has shown for the unborn and the orphan. His military service and devotion to veterans. His expertise in the financial sector.”	“Robert Goforth is a living embodiment of the American Dream. Through hard work, he rose from soul-crushing poverty to become very successful in life. Robert’s story is authentic and allows him to have an honest understanding of the struggles of average Kentuckians.”
Why do you believe your running mate is a better choice for Governor than his opponents?	“See responses above. Those in the other party would return Kentucky to the old, failed policies of the past 40 years.”	“Robert has compassion and a true heart for the people of Kentucky.”
What would your top three priorities be if elected as Lieutenant Governor?	“A. Assist the Governor to give Kentuckians health choices and better health outcomes. B. As a physician I am very passionate about protecting the most innocent among us. C. Continue to reduce the size of government and Red Tape.”	“1) Local government 2) Tourism 3) Combat drug epidemic.”

<p><i>What are your recommendations for trimming the budget and cutting government waste?</i></p>	<p>“See our Red Tape Reduction initiative. Used as a model by President Trump when he began a similar effort. The Kentucky program will be an ongoing effort. Our Medicaid waiver will save Kentucky tax payers millions.”</p>	<p>“We need to take a hard look at all areas of the budget, and cut waste, fraud, abuse, and redundancy.”</p>
<p><i>If elected, what do you see as the most important issue you will face in the next four years?</i></p>	<p>“Solving the public pension crisis in Kentucky. This effort will be led by the Governor but I will advise and assist him.”</p>	<p>“We must change the tone in Frankfort and make people feel good about state government.”</p>
<p><i>What strengths do you possess that make you the best candidate for this office?</i></p>	<p>“In addition to my own career the life-lessons I learned from my parents have shaped me. My parents were legal immigrants to this country who were incredibly proud of their heritage but equally proud of the privilege to be Americans.”</p>	<p>“ I am devoted to helping make life better for real Kentuckians and I am determined when it comes to accomplishing that mission.”</p>
<p><i>Why would you be more effective in this office than your opponent(s)?</i></p>	<p>“All the attributes described in this survey and many that I have not listed here define me as a conservative and as a Christian. Our opponents do not share our conservative values.”</p>	<p>“I come from a modest background, which allows me to have a fuller understanding of the plight of the average Kentuckian. I also have years of experience in law and local government.”</p>
<p><i>In what way would you be an improvement on your predecessors in this office?</i></p>	<p>“Jenean Hampton is a friend and was a wonderful Lieutenant Governor. I shall give my all to live up to her legacy in this office.”</p>	<p>“I will have a completely positive relationship and true partnership with the Governor.”</p>
<p><i>To know you more personally, what issue(s), unrelated to the office you seek, are you passionate about?</i></p>	<p>“I serve on the President’s Hispanic Advisory Council. I am passionate about teaching my children their Hispanic heritage while at the same time, showing them how important it is to mesh that with a love of America and being American.”</p>	<p>“ I am very, very supportive of institutions that help sick and injured children such as Shriners Hospital and St. Jude’s.”</p>
