"STRONGLY DISAGREE. Natural climate change and man-made global warming are not the same thing. Global warming is a false science."

The state should stop U of L's partnership with Louisville's oldest abortion clinic.

"STRONGLY AGREE. Didn't realize there was a partnership. Funds should be held until this partnership ends."

Public schools should allow students to use bathrooms and locker rooms in accordance with their chosen gender identity.

"STRONGLY AGREE."

About the Kentucky Candidate Information Survey (KCIS) . . .

• The purpose of the **KCIS** is to reliably report candidates' views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates' views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300 or for more information on the candidates, visit:

Be sure to take time to vote on Tuesday, Nov. 3!
