Vote Kentucky!

The best way to prepare Kentucky students for the modern economy is a strong, content-rich, basic education for every child.

“STRONGLY AGREE. As a member currently serving on the HSC of Education and BR Sub Committee on Post-Secondary Education I see this need more each day.”

Leaders should make reforming Kentucky’s antiquated tax system a top priority.

“STRONGLY AGREE. By reformulating tax codes our state can be more competitive with neighboring states to attract new industry to provide economic growth.”

In Kentucky schools, women should compete against biological women (not biological men who identify as women) in athletic contests.

Candidate chose not to participate.

“STRONGLY AGREE.”

Kentucky should pass legislation raising the minimum wage.

“DISAGREE. By raising the minimum wage we only fuel inflation. I believe we should focus on adding higher paying jobs for advancement of minimum wage workers.”

The state should acknowledge global warming and work to limit Kentucky’s contribution to it.

“UNDECIDED.”

The state should stop U of L’s partnership with Louisville’s oldest abortion clinic.

“STRONGLY AGREE. Neither U of L or any state sponsored organization should fund abortions. State funding should go toward protecting lives not ending them.”

Public schools should allow students to use bathrooms and locker rooms in accordance with their chosen gender identity.

“STRONGLY DISAGREE.”

A tuition tax-credit system should be established for needy students wanting to go to non-public schools.

“UNDECIDED. As a public school advocate I struggle with this. I feel there are certain instances where it would benefit the student with special needs.”

To reduce teen pregnancies, minors should have access to contraception without parental knowledge.

“DISAGREE. Parents should be involved with this decision.”

Kentucky should legalize recreational marijuana.

“STRONGLY DISAGREE. Recreational marijuana is a stepping stone to harsher drugs & research shows significant irreversible damage to brain development.”

The legislature should pass a statewide “Fairness Ordinance.”

“STRONGLY DISAGREE. The current state statues are adequate to protect all our citizens.”

Churches and religious groups must be protected from state discrimination on the basis of their beliefs about marriage and sexuality.

“STRONGLY AGREE. Religious liberty is our constitutional right and no state should be able to place into statutes that would limit or discriminate these liberties.”

About the Kentucky Candidate Information Survey (KCIS) . . .

• The purpose of the **KCIS** is to reliably report candidates’ views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates’ views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300 or for more information on the candidates, visit:

Special Thanks to the Candidates . . .

We want to thank all the candidates who participated in the **Survey** and all those who considered our invitation but chose not to respond. We are grateful to everyone who stepped forward to offer their leadership by running for office in our great Commonwealth.

To Kentucky citizens . . .

We trust that you, as a citizen of Kentucky, have been served by this endeavor and that you will in turn serve your community by voting your conscience on **Tuesday, Nov. 3**.

<p>To protect the poor, the state should act to curb exorbitant interest rates charged by payday lending companies.</p>		<p>"UNDECIDED."</p>
<p>Personal and creative service businesses should not be forced to produce goods or services that violate their rights of conscience.</p>	<p>Candidate chose not to participate.</p>	<p>"STRONGLY AGREE. Business owners should have the right to refuse any service that forces them to violate their conscience. Patrons have the freedom to choose their store."</p>
<p>Illegal immigrants should be prohibited from obtaining driver's licenses and other government documents.</p>		<p>"STRONGLY AGREE. The main point here is ILLEGAL. If they are not in our country legally then they should not receive any government benefits or credentials."</p>
<p>Recent school shootings prove that we need more restrictive gun laws.</p>		<p>"DISAGREE. Legislators should not limit citizens' 2nd Amendment rights. There are current laws that are adequate if only they were allowed to be enforced."</p>
<p>Because they leave children sterile for life, transgender surgeries and hormone treatments on minors should be banned.</p>		<p>"STRONGLY AGREE. Children are not mature enough to understand the consequences of these actions and decisions such as this are irreversible."</p>
<p>Schools should familiarize students with all sides of debates on issues like evolution and global warming.</p>		<p>"AGREE. Agree, so long as creationism and the Bible are included in these debates."</p>
<p>Kentucky should pass expanded gambling legislation to fund state pensions.</p>		<p>"DISAGREE. Expanded gaming preys on the poorest of our citizens and only further burdens our state revenues."</p>
<p>University of Kentucky's tuition is now several times higher than in 2002. All state college tuition increases should be limited.</p>		<p>"AGREE. Just as in the business world our colleges and universities should be forced to be more competitive and responsible with funding at hand."</p>
<p>List your top three priorities should you be elected.</p>		<p>"1. Recover our economy in the wake of COVID-19 2. Address our failing infrastructure for economic development 3. Continue to work on comprehensive tax reform."</p>
