Vote Kentucky!

The best way to prepare Kentucky students for the modern economy is a strong, content-rich, basic education for every child.

“STRONGLY AGREE. Every child must have a chance to succeed with a strong education system.”

Leaders should make reforming Kentucky’s antiquated tax system a top priority.

“AGREE. I support pro-family tax reform like creating a child tax credit and new credits to businesses supporting paid family leave.”

In Kentucky schools, women should compete against biological women (not biological men who identify as women) in athletic contests.

Candidate chose not to participate.

“STRONGLY AGREE. As a high school coach, allowing trans-gender students in women’s sports severely depreciates our advances. Title IX promotes girls.”

Kentucky should pass legislation raising the minimum wage.

“AGREE.”

The state should acknowledge global warming and work to limit Kentucky’s contribution to it.

“AGREE. Climate change isn’t fake. Any work limiting it must be balanced accounting for science and economic effects on the Commonwealth.”

The state should stop U of L’s partnership with Louisville’s oldest abortion clinic.

“AGREE.”

Public schools should allow students to use bathrooms and locker rooms in accordance with their chosen gender identity.

“DISAGREE.”

A tuition tax-credit system should be established for needy students wanting to go to non-public schools.

“STRONGLY AGREE. A child’s success cannot be hindered by their zip code or parents’ inability to pay for the best education possible.”

To reduce teen pregnancies, minors should have access to contraception without parental knowledge.

“_____. Schools & medical providers must respect the parent-child relationship AND provide comprehensive sex education emphasizing abstinence & not promoting abortion.”

Kentucky should legalize recreational marijuana.

“UNDECIDED. Marijuana legislation could provide new revenue, but modern long-term health studies are needed.”

The legislature should pass a statewide “Fairness Ordinance.”

“UNDECIDED.”

Churches and religious groups must be protected from state discrimination on the basis of their beliefs about marriage and sexuality.

“AGREE. This is the 21st century’s pivotal First Amendment issue. It will ultimately be decided by the Supreme Court and not legislatively.”

About the Kentucky Candidate Information Survey (KCIS) . . .

• The purpose of the **KCIS** is to reliably report candidates’ views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates’ views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300 or for more information on the candidates, visit:
