Vote Kentucky!

The best way to prepare Kentucky students for the modern economy is a strong, content-rich, basic education for every child.

“STRONGLY AGREE. And I hope that ‘basic education’ will include industrial arts and ‘home ec’ again!”

Leaders should make reforming Kentucky’s antiquated tax system a top priority.

“AGREE. Definitely near the top of my list!”

Candidate chose not to participate.

In Kentucky schools, women should compete against biological women (not biological men who identify as women) in athletic contests.

“AGREE. I agree - unless the sport is unisexual, and does not have separate categories.”

Kentucky should pass legislation raising the minimum wage.

“STRONGLY AGREE. With the wealthy getting even more so, it’s time to help out the less fortunate.”

The state should acknowledge global warming and work to limit Kentucky’s contribution to it.

“AGREE. The difficult part would be to determine just how best to do that!”

The state should stop U of L’s partnership with Louisville’s oldest abortion clinic.

“DISAGREE. Abortion is sometimes done for the health and safety of the mother.”

Public schools should allow students to use bathrooms and locker rooms in accordance with their chosen gender identity.

“DISAGREE. NO. Unless the bathrooms have separate, enclosed ‘stalls,’ we keep them the way they are now.”

A tuition tax-credit system should be established for needy students wanting to go to non-public schools.

“STRONGLY DISAGREE. I do not favor taking our tax dollars away from the public schools.”

To reduce teen pregnancies, minors should have access to contraception without parental knowledge.

“DISAGREE. If it’s a health issue, fine. Otherwise, the parents deserve to know.”

Kentucky should legalize recreational marijuana.

“STRONGLY AGREE. Regulate it, yes, but definitely legalize it.”

The legislature should pass a statewide “Fairness Ordinance.”

“AGREE. We shouldn’t even have to worry about this.”

Churches and religious groups must be protected from state discrimination on the basis of their beliefs about marriage and sexuality.

“STRONGLY AGREE. Keep the government and religions separate.”

About the Kentucky Candidate Information Survey (KCIS) . . .

• The purpose of the **KCIS** is to reliably report candidates’ views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates’ views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300 or for more information on the candidates, visit:

Be sure to take time to vote on Tuesday, Nov. 3!
