About the Kentucky Candidate Information Survey (KCIS) . . .

• The purpose of the **KCIS** is to reliably report candidates' views to voters in order to improve:

- 1) voter knowledge of the candidates;
- 2) voter participation; and
- 3) the quality of the democratic process.

• The **KCIS** is designed to neutrally, yet concisely, report the candidates' views in their own words on a broad range of issues. Each candidate was asked to respond to the assertions listed and was given 20 words to qualify his or her response. This issues-only, head-to-head approach avoids pushing a particular agenda, but at the same time, cuts through the political rhetoric often found in campaign literature.

• The **KCIS** is a non-partisan project of the Family Trust Foundation of Kentucky, a non-profit educational organization incorporated in order to encourage and strengthen families in our state. Encouraging responsible citizenship and increasing voter participation are two of its objectives.

• For more information on the **KCIS**, call (859) 255-5300 or for more information on the candidates, visit:

Be sure to take time to vote on Tuesday, Nov. 3!

<p><i>Public schools should allow students to use bathrooms and locker rooms in accordance with their chosen gender identity.</i></p>		<p>"STRONGLY DISAGREE. Each individual has been given a God-given gender, therefore, we should make no accommodation for anything other than that."</p>
<p><i>A tuition tax-credit system should be established for needy students wanting to go to non-public schools.</i></p>		<p>"AGREE."</p>
<p><i>To reduce teen pregnancies, minors should have access to contraception without parental knowledge.</i></p>		<p>"STRONGLY DISAGREE. Parents must be involved in the well-being and decisions of their children. It is their responsibility."</p>
<p><i>Kentucky should legalize recreational marijuana.</i></p>		<p>"STRONGLY DISAGREE. To allow this to happen will lead to other issues that will deteriorate this state."</p>
<p><i>The legislature should pass a statewide "Fairness Ordinance."</i></p>		<p>"STRONGLY DISAGREE. While we shouldn't discriminate, we also shouldn't make any law that causes someone to violate their conscience in regard to the laws of God."</p>
<p><i>Churches and religious groups must be protected from state discrimination on the basis of their beliefs about marriage and sexuality.</i></p>		<p>"STRONGLY AGREE.
